

Visit Versailles Palace and Gardens with an Expert Guide

Versailles is where architecture, ritual, and landscape fused into a single theater of power—and where world history repeatedly returned to the same stage. On May 6, 1682, Louis XIV installed his court and government here, transforming a royal hunting retreat into the nerve center of the French monarchy. Inside the palace, the King's and Queen's Grand Apartments, the King's Bedchamber, and the Hall of Mirrors reveal how art and ceremony were used to project royal authority. Outside, André Le Nôtre's gardens extend the same vision into the landscape through monumental perspectives, formal parterres, hidden groves, fountains, and reflecting pools. With Suite Voyage Discovery, an expert guide helps you understand Versailles as it was designed to be experienced: through the symbolism...

At a glance

- Location: Versailles, approximately 12 miles southwest of central Paris
- Palace Highlights: The King's and Queen's Grand Apartments, the King's Bedchamber, and the Hall of Mirrors
- Royal Residence: Seat of Louis XIV's court and government beginning in 1682
- Gardens: Parterres, groves, fountains, and grand perspectives designed by André Le Nôtre
- Optional Extension: The Grand Trianon, Petit Trianon, and Queen's Hamlet, depending on your chosen program
